

Trek Part

Trek Parts - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning industry. The company's founders, Jim Hartsock, Chris Knowlton and Bob O'Hara, have over 60 years combined experience with effectively marketing, manufacturing, designing, developing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their clients and are devoted to giving new design concepts and top quality so as to meet the diverse requirements of their clients.

TREK Cleaning Machines continually provides fresh design ideas as shown in their product development. They enjoy offering products that energize both their dealers and their partners and offer production gains to their customers.

The team at TREK likes dealing with new challenges and tasks. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the comprehension of operators' requirements and skills together with their knowledge of cleaning applications, along with owners' strong desire to significantly reduce expense through productivity gains.

The workers at TREK and their dealer-partners are really dedicated to having both technical support and parts available when it is needed. Their high service devotion is among the core values in their customer service. Keeping their clients' cleaning machinery working and ready day after day is top priority. The company's top of the line technology delivers dependable machinery that eventually lessens your cleaning cost. The price, the service and the product all work as one to make them the leader in the business.
